

# Fly Me Law Jets

## Are you frustrated flying to Bloemfontein with commercial airlines?

The time spent driving to the airport, checking in and waiting to board, the actual flight and collecting your hire car can all take up to 5 hours. This is the time it takes to drive to Bloemfontein!

This coupled with the fact that your case or matter may be postponed or settled and then to have to wait for a flight back not only costs money but more importantly costs you your time!

## Fly Me Services

At Fly Me we have identified the need to provide a service that not only greatly reduces your effort and inconvenience but also saves your time!

## The Real Question!

So what is your time really worth?

What if you could be in Bloemfontein or Johannesburg from either city within 60 minutes?

Would this benefit you and your clients?

## So how does it work?

Fly Me will fly you from Johannesburg to Bloemfontein or vice versa with a total flight time of about 50 minutes. Because we are providing an exclusive service with no queues, fewer aircraft in the system and a quicker turn around time we have the ability to have you embarked and taking off within 15 minutes.

## Our aircraft

For this service we use either the Citation Mustang or the Learjet 45 aircraft. These aircraft are capable of speeds between 630 and 832 km/hr respectively. This ensures a far quicker turn around time and guarantees you a pleasant experience when using Fly Me for your transfers.
